Special Scholarship Program

The Special Scholarship Program (SSP) is a 3-year English-medium doctoral program designed for highly capable doctoral students. Successful applicants are entitled to receive following benefits:

1. Exempted from all the required student fees
2. 150,000 yen per month for research project work
3. 150,000 yen for travel and initial living cost (given only to international applicants who are living outside Japan)

The SSP Program recruits excellent doctoral students to join the research projects listed at:
KUT website (https://www.kochi-tech.ac.jp/english/) → Admission →Special Scholarship Program → SSP Research Project List

The details of SSP and admission guidelines are at:
KUT website → Admission →Special Scholarship Program → SSP Application Guideline

Application Deadline for April 2020 and October 2020 enrollment: September 13th 2019
